NOTICE OF PEER REVIEW MEETING

Based on a request from the Office of Science and Technology of the U.S. Department of Energy a Review Panel (RP) has been formed to provide a technical peer review of the Transuranic Mixed Waste Focus Area (TMFA) technology project

**“Enhanced Polymer Hydrogen Gas Getter Material” and
Polymer Encapsulation of Hydrogen Gas Getters”.**

The meeting of the RP is scheduled for:

**July 22, 2002
8:00 AM
Columbia, Maryland**

In accordance with the policies of the American Society of Mechanical Engineers (ASME), all segments of the meeting—except executive sessions of the RP—are open to the public. Due to limited space, attendance will be based on first-come first-serve availability. Therefore, although on-site registration is available, pre-registration is encouraged. Furthermore, attendees who desire to participate in the discussion must follow ASME requirements.
